

A Participants' Guide to the Workshop Site

1. There'll be a free bus to the workshop site (General Lecture Building; 종합강의동), departing at 08:30 on July 12 and 13, in front of Hotel Castle.
You can get on the bus for free, even if you're not staying at Hotel Castle.

2. If you miss the bus, then catch a taxi at any place in Suwon and show the driver the next page (in Korean).
Then, the driver will take you to General Lecture Building and you'll see the sign of WAAC 2013 at the entrance of General Lecture Building.

NOTICE: All taxi drivers in Suwon know Hotel Castle
but only few know about specific places in Kyonggi University.

3. You can walk from East Gate(후문) to the workshop place (7~10 mins).
But there is a steep slope on the way.

4. There is a bus stop (경기대후문) near East Gate and many buses stop there:
